

DISCOVER ALBURY LANDING

Wellness Escapism

Welcome to Albury Landing, an intimate waterfront sanctuary in the Florida Keys designed for restorative group experiences. Perfect for yoga retreats and wellness weekends, the private estate comfortably sleeps up to 18 guests across a beautifully appointed main house and four private villas, offering both shared and single accommodations for your group.

Wake each morning to breathtaking ocean sunrises, where the first light reflects across the water just steps from your door. The property blends tropical tranquility with elevated coastal design, creating a setting that invites connection, mindfulness, and renewal. Guests can gather around the private pool and hot tub, practice yoga on the beach as the sun rises, or simply relax into the rhythm of the ocean throughout the day.
